

HOLIDAY HOMEWORK FOR PARENTS

- Have at least two meals together with your children.
 - Share stories about your childhood and your family history.
 - Water is precious. Encourage your children to save water.
 - All bottles which are kept in the refrigerator should be filled by them.
 - Let them play games outside and get as much as physical exercise as possible.
 - Keep your children away from all screens including T.V., Computer, tablets and mobile phones.
 - Encourage your children to read a story everyday.
 - Visit the grandparents and let your children bond with them. Love and emotional support is very important. Click snaps with them.
 - Encourage your children to plant a tree.
-
